

CRF – Infant Physical Exam		
No	Question	Response
001	Enter today's date:	_ _ / _ _ / _ _ _ _ D D / M M / Y Y Y Y
002	What type of visit is this?	0 = Pregnancy Outcome Visit (V201) 1 = Postnatal Visit 1 (V202) 2 = Postnatal Visit 2 (V203) 97 = Interim Visit
003	Were any medical records reviewed?	0 = No 1 = Yes, handheld along with participant report 2 = Yes, abstracted from medical records
004	Infant sex:	0 = Male 1 = Female 2 = Intersex
005	Infant weight (g):	
006	Infant length (cm):	
007	Assess length-for-age using appropriate WHO chart	0 = Normal (Green Line) 1 = -2 SD (Red Line) 2 = -3 SD (Black Line)
008	Infant head circumference (cm):	
009	Assess weight-for-age using appropriate WHO chart:	0 = Normal 1 = -2 SD 2 = -3 SD
010	Assess weight-for-length using appropriate WHO chart:	0 = Normal 1 = -2 SD 2 = -3 SD
011	Was a surface examination completed by a study clinician?	0 = No   <b>End form</b> 1 = Yes
<b>Surface Examination</b>		
012	Is the abnormality an extra digit?	0 = No   <b>Skip to 023</b> 1 = Yes

013	Where are the extra digits?	<p><b>Select all that apply</b></p> <p>0 = Left hand  1 = Right hand  2 = Left foot  3 = Right foot</p>
014	Where on the left hand is the extra digit located?	<p><b>Respond only if [013 = 0]</b></p> <p>0 = Near the 5th digit (little finger, pinky finger)  1 = Near the thumb  2 = Other place</p>
015	Does the extra digit appear as:	<p><b>Respond only if [013 = 0]</b></p> <p>0 = A fully formed extra digit (seems to look like a finger and have bone in it)  1 = Soft, without a bone (sometimes hanging by a stalk)</p>
016	Where on the right hand is the extra digit located?	<p><b>Respond only if [013 = 1]</b></p> <p>0 = Near the 5th digit (little finger, 1 = pinky finger)  2 = Near the thumb  3 = Other place</p>
017	Does the extra digit appear as:	<p><b>Respond only if [013 = 1]</b></p> <p>0 = A fully formed extra digit (seems to look like a finger and have bone in it)  1 = Soft, without a bone (sometimes hanging by a stalk)</p>
018	Where on the right foot is the extra digit located?	<p><b>Respond only if [013 = 3]</b></p> <p>0 = Near the 5th digit (little toe, pinky toe)  1 = Near the big toe  2 = Other place</p>

019	Does the extra digit appear as:	<b>Respond only if [013 = 3]</b>  0 = A fully formed extra digit (seems to look like a finger and have bone in it) 1 = Soft, without a bone (sometimes hanging by a stalk)
020	Where on the left foot is the extra digit located?	<b>Respond only if [013 = 2]</b>  0 = Near the 5th digit (little toe, pinky toe) 1 = Near the big toe 2 = Other place
021	Does the extra digit appear as:	<b>Respond only if [013 = 2]</b>  0 = A fully formed extra digit (seems to look like a finger and have bone in it) 1 = Soft, without a bone (sometimes hanging by a stalk)
022	Description of abnormality: (please include as much detail as possible)	<b>Respond only if [012 = 1]</b>
023	<b>Are the fingers and toes NORMAL? (including nails, number, dangling fused, shape or parts missing, abnormally large or small)</b>	0 = No 1 = Yes
024	Description of abnormality: (please include as much detail as possible)	<b>Respond only if [023 = 0]</b>
025	<b>Is the head and neck exam NORMAL? (includes skull, fontanelles, eyes, ears, nose, jaw)</b>	0 = No 1 = Yes
026	Description of abnormality: (please include as much detail as possible)	<b>Respond only if [025 = 0]</b>
027	Is there evidence of hydrocephalus (swollen head)?	0 = No 1 = Yes

028	Is there a defect in the skull?	0 = No 1 = Yes
029	If there is a defect in the skull, is it:	0 = Completely covered by skin 1 = Partly covered by skin 2 = Covered by a thin sac/membrane 3 = Not covered by skin (brain tissue visible)
030	<b>Is the mouth, lip and palate exam NORMAL? (cleft lip or palate)</b>	0 = No 1 = Yes
031	Description of abnormality: (please include as much detail as possible)	<b>Respond only if [030 = 0]</b>
032	<b>Is the chest exam NORMAL? (shape and respiratory movements)</b>	0 = No 1 = Yes
033	Description of abnormality: (please include as much detail as possible)	<b>Respond only if [032 = 0]</b>
034	<b>Are the Abdominal and Anal exam NORMAL? (masses/anal closure defect)</b>	0 = No 1 = Yes
035	Description of abnormality: (please include as much detail as possible)	<b>Respond only if [034 = 0]</b>
036	<b>Are the arms and legs (including hands and feet) NORMAL? (length, shape, missing parts)</b>	0 = No 1 = Yes
037	Description of abnormality: (please include as much detail as possible)	<b>Respond only if [036 = 0]</b>
038	<b>Is the spine exam NORMAL? (lumps or cysts or bulging in the back including the neck, thorax or lumbar area)</b>	0 = No 1 = Yes   <b>Skip to 042</b>
039	Description of abnormality: (please include as much detail as possible)	

040	Where in the spine is the defect located?	<b>Select all that apply</b>  0 = Cervical 1 = Thoracic 2 = Lumbosacral
041	Is the spinal defect:	0 = Covered in hair and NOT bulging out 1 = Covered in hair and bulging out 2 = Bulging out and completely covered with skin 3 = Bulging out and partly covered with skin 4 = Bulging out and covered with only a sac/thin membrane 5 = Open-can see the spine/spinal cord
042	<b>Are the hips and genitalia NORMAL? (including urethra, testes, penile shaft, vagina, labia)</b>	0 = No 1 = Yes
043	Description of abnormality: (please include as much detail as possible)	<b>Respond only if [042 = 0]</b>
044	<b>Is the skin exam NORMAL? (pale, blue, birth marks, or any large very red areas)</b>	0 = No 1 = Yes
045	Description of abnormality: (please include as much detail as possible)	<b>Respond only if [044 = 0]</b>
046	<b>Describe any other abnormality, unusual finding or make any comment about abnormality:</b>	
047	Did the examination show a suspected anomaly?	0 = No   <b>End form</b> 1 = Yes   <b>Document suspected anomaly on Medical Events/Conditions CRF</b>
048	Did study clinician determine a diagnosis?	0 = No 1 = Yes

049	Specify study clinician diagnosis (or diagnoses)	
050	What is the ICD-10 code? <i>Reference the GBD App</i>	
051	How certain is this diagnosis?	0 = Definite 1 = Probable 2 = Possible 3 = Uncertain
052	CRF Notes
