

| CRF – Study Visit |   |  |
|-------------------|---|--|
| No.               | Question  | Response   |
| 001               | Enter date for today’s visit (or date of form completion for a missed visit): | <p>__ __ / __ __ / __ __ __ __</p> <p>D D / M M / Y Y Y Y</p>  |
| 002               | What type of visit is this?   | <p>0 = Enrollment Visit (V101)   skip to 010</p> <p>1 = Antenatal Visit 1 (V102)   skip to 010</p> <p>2 = Antenatal Visit 2 (V103)   skip to 010</p> <p>3 = Antenatal Visit 3 (V104)   skip to 010</p> <p>4 = Pregnancy Outcome Visit (V201)</p> <p>5 = Postnatal Visit 1 (V202)</p> <p>6 = Postnatal Visit 2 (V203)</p> <p>97 = Interim Visit   enter visit code in 003</p> |
| 003               | If ‘Interim visit,’ enter visit code:   | <p>Respond only if [002 = 97]</p> <p>__ __ __ . __ (e.g. 102.1)</p>  |
| 004               | Was an infant(s) present  | <p>Respond only if [002 = 4, 5, 6, 97]</p> <p>0 = No   Document reason in 005</p> <p>1 = Yes</p>   |
| 005               | Explain why infant was not present for the visit:                             | <p>Respond only if [004 = 0]</p>   |

Enter PID for each enrolled infant present for visit.  
 Enter value only if [004 = 1]

|     |                                       |  |
|-----|---------------------------------------|--|
| 006 | Infant PID:                           | __ - __ - __ - __ (e.g. 21-003-02)   |
| 007 | Infant PID:                           | __ - __ - __ - __ (e.g. 21-003-03)   |
| 008 | Infant PID:                           | __ - __ - __ - __ (e.g. 21-003-04)   |
| 009 | Infant PID:                           | __ - __ - __ - __ (e.g. 21-003-05)   |
| 010 | Site (Kenya):                         | <p><b>Enter value only if [country = Kenya]</b></p> <p>11 = Tudor<br/>         12 = Migosi<br/>         13 = Chulimabo</p>                           |
| 011 | Site (Lesotho):                       | <p><b>Enter value only if [country = Lesotho]</b></p> <p>21 = Scott Hospital</p>   |
| 012 | Site (Zimbabwe):                      | <p><b>Enter value only if [country = Zimbabwe]</b></p> <p>31 = Cowdry Park Clinic<br/>         32 = SHAZA Hub<br/>         33 = Runyararo Clinic</p> |
| 013 | Was the visit completed on this date? | <p>0 = No, missed visit<br/>         1 = No, incomplete visit<br/>         2 = Yes   <b>skip to 012</b><br/>         3 = Other</p>                   |

|     |   |  |
|-----|---|--|
| 014 | Please specify why the visit was not completed or other reason: | <b>Enter value only if [013 = 0, 1, 3]</b>   |
| 015 | Visit location:   | 0 = Onsite<br>1 = Off-site, at home<br>2 = Over the phone<br>3 = Off-site, other   <b>Specify other in 016</b>   |
| 016 | Please specify location of off-site visit:                      | <b>Enter value only if [015 = 3]</b>   |
| 017 | Was an SAE or Social Harm (SH) reported during this visit?      | <b>Option 1 and 2 can both be circled if applicable.</b><br><br>0 = No<br><br>1 = Yes, SAE   <b>Document on Medical Events and Conditions CRF</b><br><br>2 = Yes, SH   <b>Document on Social Harms CRF</b> |
| 018 | Where any procedures missed?                                    | 0 = No<br>1 = Yes   <b>Document reason in 019</b>  |
| 019 | Indicate what procedures were missed and why.                   | <b>Enter value only if [018 = 1]</b>   |
